BALLAD OF THE UNCERTAIN SALESMAN

Â© Electric Babylon Music Author: M.M.

He knocks on the door as timid as a saint wakes  
temptation, his nemesis  
answers the door with generic sensation, hello sir I  
represent the Every  
Man corporation, and I am prepared to offer you the  
wings of your  
elevation.  
He balked over the next line and felt so phony, looked  
down at his hands;  
fingers so bony, ok pull yourself together you need this  
sell, don't qualify  
the story just tell the tale.  
Sir have you ever wanted to change your life's slave,  
excuse me; soul I  
can't seem to make my tongue behave, we all take  
most of our true  
potential to the grave, and if you buy right now you can  
really save.  
I knew that would be next; just what are you selling, the  
billboard behind  
the eyes; there's really just no telling, well sir you  
really wont know what  
it is till you buy it, you mean you wont even tell me what  
it is and you  
expect me to try it.  
They wont tell me what it is they said that makes it  
easier to sell, that  
doesn't make any sense at all you should probably be  
in jail, it's what you  
need that's what they told me to tell, meaning is an  
option but I'll tell you  
it's expensive as hell.  
Well can you at least tell me what it cost, all I know is  
they'll replace it for  
free if it ever gets lost, he glanced nervously into his  
eyes and then down  
at his feet, finalized the deal and then hit the street.
