COMFORT

Â© Electric Babylon Music Author: M.M.

When I feel like I cant go on but I just get up and go no,
I think about

you, when I feel like IÂ'm a soldier in a war that
doesnÂ't love his country,

I think about you, when I feel like the end is near but not
near enough,

I think about you, when I feel as guilty as god after
creating mankind, I
think about you.

Oh my treasure chest, oh my joy, the magic of mystery,
a girl and a

boy, I know what IÂ'd do without you, nothing more
than what I do.

When the media makes much ado about nothing and
no ado about the

significant, I think about you, when some asshole on
the radio tells the

poor to basically go f*** themselves, I think about you,
when

everything is beside the point and I wonder what the
hell is the point, I

think about you, when the sky is melting and weÂ've
just turned up the

heat, I think about you.

Oh my treasure chest, oh my joy, the magic of mystery,
a girl and a

boy, I know what IÂ'd do without you, nothing more
than what I do.

When the rock and roll doesnÂ't rock hard enough for
me, I think about

you, when I donÂ't have a reason so I use just any old
excuse, I think

about you, when I write a song that just goes on and on
about how

much I think about you, I think about you, when IÂ'm
standing in line on

judgement day ready to deny everything, I will think
about you.

Oh my treasure chest, oh my joy, the magic of mystery,
a girl and a

boy, I know what IÂ'd do without you, nothing more
than what I do.
