DARK HOUSE OF LOVE

Â© Electric Babylon Music Author: M.M.

In a dark house of information, kept in a shadows  
secret, a storehouse of  
vague sensation, is kept here for all who seek it.  
What else is there but you and me, this is the most we  
could ever be, I just  
want you to take my hand, in this dark house of love  
weâ€™ll make our  
stand.

Thereâ€™s a draft in this house that will chill your soul.  
keep your body in  
the temperate zone, and when you feel you might lose  
control, you donâ€™t  
feel lonely even when your alone.

What else is there but you and me, this is the most we  
could ever be, I just  
want you to take my hand, in this dark house of love  
weâ€™ll make our  
stand.

In the night you might see a ghost, but donâ€™t be afraid  
to close your eyes,  
with this wine of the blood we raise a toast, the truth  
will see you thru  
these lies.

What else is there but you and me, this is the most we  
could ever be, I just  
want you to take my hand, in this dark house of love  
weâ€™ll make our  
stand.
