DEEP BLUE HORIZONS

Â© Electric Babylon Music Author: M.M.

Desire runs deep, wasteland farmers reap, silent  
trapped pain, softly  
scattered rain.

Framed in the kinetics of another generic day, the  
great something of the  
deep feasts upon it's pray, and the suffering; the  
undone angel of Blake,  
is delivered in rainbow's renaissance make.

My vision is buried in deep blue horizons.

Deliver me blue, default doctors cue,

Dreamers soft kill, star less sleepers skill.

Unfounded by the restless mechanism of fate, spilled in a  
pool of potential

by the mercenary pride of his mate, the humbling bleat  
of desire will run

the clock, and time's little thief will pick the crumb of  
his lock.

My sunrise eclipsed by these deep blue horizons.

In the context of a soulless driven; petty labor;

whitewashed brittle bone

of a life.

I'm sanctified in deep blue horizons.

I'm glorified in deep blue horizons.

I'm nullified in deep blue horizons.
