EVENING RAIN

Â© Electric Babylon Music Author: M.M.

I sat outside in the gathering darkness, I watched the  
storm coming on,  
the rain started falling against my skin, I gave the  
world my soul to turn  
upon.

Oh oh distant thunder, oh oh lightning sky, oh oh fill me  
with wonder, oh  
oh make me wonder why.

The fireflies twinkling in the yard, bring back my  
childhood in a rush, the  
rain falls now just a bit harder, my mind relaxes in the  
hush.

Oh oh distant thunder, oh oh lightning sky, oh oh fill me  
with wonder, oh  
oh make me wonder why.

IÂ'm filled with the beauty of this moment, I feel like a  
part of this heavenly  
scene, itÂ's like the lightning is coming right out of my  
mind, oh god let  
your rain wash me clean.
