EYE OF THE NEEDLE

jimmy jones is trying to shrink his camel,because his
moneys out grown
his soul,but his envy keeps falling out of his
pocket,where his pride has
worn a hole,he never hurt anyone helped all he
could,why should his luck
be a sin,sleepy sundays and strip tease sermons,and
every prayer ends
with amen joe dough is trying to balance his
checkbook,wants to buy
some more honey bees,another blossom from the root
of all evil,he wants
a garden of money trees,no second thoughts doubts or
regrets,its all
written into the game,he can be guilty of all guilt will
allow,and innocent
of any blame sammy smith wants to pay the electric
bill,the nights are
getting cold,but he's warmed by the thoughts that one
day he'll walk,on
streets paved with gold,he'll have all heavens riches to
himself,he lives for
that dying day,righteous enough to be heavens
bouncer,he'll make the
rich man. pay MAR97
