FALLING BODIES

Â© Electric Babylon Music Author: M.M.

It's daylight and I'm still asleep, there's hard work  
and rivers deep, wake

me don't let me dream, the world is mind engine  
steam.

I'm hungry but I gnaw on bones, I'm angry but I use  
sticks and stones,

shine me I'm full of light, throw me into the darkest  
night.

Falling bodies fall at the same speed, I'm with you if  
your in need, from

the gods we've stolen the fire, from your heart I beg  
your desire.
