FANTASIES

Â© Electric Babylon Music Author: M.M.

When your all alone, and there's no one to talk to, no  
one around, nothing

to do, then do you sat back and drift, into a world all  
your own, where you

can be anything, or anybody you want.

Oh those fantasies, those crazy wants, those endless  
needs, oh those

fantasies, those crazy wants, those devilish needs,  
those fantasies.

Sometimes life will get you down, but you don't have  
to worry, because

you can drift off onto a fantasy, and everything will be  
alright, but then

you come back to reality, got to face the world and all  
it's agony, but you

always knew you got to be yourself sometimes, and  
you can't always live

in your fantasy land.

Oh those fantasies, those crazy wants, those endless  
needs, oh those

fantasies, those crazy wants, those devilish needs,  
those fantasies.

Then one day it happens. and you think you can't  
come down, to face the

world, and you know it's always, going to be the  
same, and if thats what

you believe, than you are living, in a fantasy.

Oh those fantasies, those crazy wants, those endless  
needs, oh those

fantasies, those crazy wants, those devilish needs,  
those fantasies.
