FLIGHTLESS DREAMS

Mama I don't wana fly no more, mama I don't wana
fly no more, the
winds too hard to fight and the sky is a bore, mama I
don't wana fly no
more, mama I just wana crash this dream, mama I just
wana crash this
dream, just let it drift into the midnight steam, mama I
just wana crash
this dream.

Mama I just wana know what for, mama I just wana
know what for, I
wana cut right thru to the bloody core, mama I just
wana know what for,
mama I just wana ease this pain, mama I just wana
ease this pain, I tired
of soaking up this stinging rain, mama I just wana ease
this pain.

Mama I just wana see my light, mama I just wana see
my light, I wana
rip the flesh from this gutless night, mama I just wana
see my light,
mama I just wana feel my bread, mama I just wana feel
my bread, I
wana chase these false prophets from my head, mama
I just wana feel
my bread.

Mama I just wana find your nest, mama I just wana find
your nest, I wana
lay my head on your sweet breast, mama I just wana
find your nest.
