FLOWING WATER LAWS

Â© Electric Babylon Music Author: M.M.

Colors soak up space and paint a waiting mind, the  
intensity of this  
attraction is felt thru a convex of criticism, violet blush  
felt in the face  
of humankind, this implicit desire convoluted by  
cynicism, in the way  
of forfeit the depth of beauty hangs, one more for  
destiny's song in  
silent voice, this haunting hunger causes these  
melodic pangs, Gabriel  
blows his horn for the futility of choice, this alter is a  
tombstone for  
unanswered prayers, out of time thrown by melted angel  
wings, to what  
is the component of the deed that dares, and of earth  
music the sky so  
sings, flesh dripping with spirit drewl, the county of red  
lost  
somewhere in the county of green, nature's freak  
plays fashion's fool,  
an aching eye is punished with the scene, the lament of  
the future pays  
homage to the past, steam forms a realistic subject in  
the shape of  
hope, an idea is locked in the mold from which it was  
cast, a dream  
pirate upon sleeps shore throws forth his rope, a jail of  
rain holds the  
water yet unchanged to wine, a bounty of confusion  
played by  
symphony of shame, life on a rainbow's arc sees the  
darkness shine,  
the beast is guilty for no beauty to blame, a landscape  
of language  
paints a picture real, the movement of sorts lost in the  
motion, the  
marriage of accident and will, the losing tide of a  
swelling ocean, a  
cobweb veil over face of the night, perpetual silence  
looming beneath

transparent sound, strength of darkness bends the  
frail frail light, over  
the static port of desolation where imagination is  
bound, union of air  
and breath; delicate flavor, root in earth spoils for  
thunder, insect  
pride the dew drop of flower petal finds favor, pigment  
on the skin of  
the dirt a diamond wonder, the stars hang radiant  
unforgiven  
touchstone, crooked waltz battle cry of ages, garden of  
sacrifice in an  
atmosphere of tone, door thru time is a vault for  
tumbling sages,  
moment life captured in absence of cause, whisper to  
heaven in a  
ancient holy order, river dark profound flowing water  
laws, colors soak  
up space and spill out over border.
