FREE FLOW

Â© Electric Babylon Music Author: M.M.

Lost specifically in the arbitrary fatigue and rush of gravity, she was

already pregnant when she laid for me, and the sex was just a

gravediggers fantasy.

Standing in the river the current breaks around the story of my flesh, the

easy evil of letting go, and becoming the artist of the flow.

Desperate minions of the deed, inertial hunger atrophy, meaning

surveyed prime time pimp, consumer frauds ecstatic limp, the lanes a

clearly painted ride, the petty price of the other side, it's the belief that

gives these gods their glow, puts the sweat of the clouds into the flow.

I map her erogenous zones based on incidental sense, she forecast the

spread of her thighs when my tools are tense, she leans close hands

quick with skill and whispers a beautiful go, and I am a vehicle of passing;

another passenger of the flow.
