HAUNTED HOUSE

Â© Electric Babylon Music Author: M.M.

Memory is the tomb of days, the nowhere self located;  
map of time,

urgent giver of the divided parasite, mirrors and lies  
and legal crime, a

voice of no reference baits the tongue, form; the  
blessing of substance

lost, cities of bone mutate the rapture, and every  
muted conscience is  
crossed.

Gathering symbols, living by law, gathering symbols,  
breeding the raw.

Meaning is a lion you feed everyday, till the food is  
gone then it eats you,

the light of circumstance is bleeding shadows, the  
logic felt just like two

is two, divining the gist of this subconscious sermon,  
pure being as

insubstantial as a thought, we negotiate and navigate  
the real, by what

touching the flame has taught.

Gathering symbols, living by law, gathering symbols,  
breeding the raw.

The self that creates the ghost that haunts the world,  
but vision cant

penetrate the surface of what it's seeing, so If no one  
really sees you

naked, how can you validate your being?
