HONOR AMONG THIEVES

Â© Electric Babylon Music Author: M.M.

If it weren't for you I couldn't be me, if it weren't  
for us we couldn't be,  
life is just a game of chance, each person is shaped by  
circumstance, if  
not for the fighter you couldn't fight, if somebody  
weren't wrong you  
couldn't be right, if it wasn't for the hero there'd be  
no villain, if not  
for the virus there'd be no penicillin.  
Some love this and baby some love that, some stay  
skinny and some  
get to fat, everyone knows but everyone still believes,  
that's why there  
must be honor among thieves.  
If not for the servants there'd be no king, if it wasn't  
for nothing  
there'd be no thing, if it wasn't for here there'd be  
no there, if it  
wasn't for the careless no one would care, if it  
wasn't for the sun we  
wouldn't know the rain, if it wasn't for pleasure we  
wouldn't know of  
pain, if it wasn't for the immoral there'd be no  
morality, if it wasn't for  
the gentle there'd be no brutality.  
Some love this and baby some love that, some stay  
skinny and some  
get to fat, everyone knows but everyone still believes,  
that's why there  
must be honor among thieves.  
Honor is more important than love, if not for the  
ground there'd be no  
sky above, honor your enemy as you love your friend,  
for it's on him  
that you depend, we need the weak to make the  
strong, we need the  
singer to sing the song, it's time the victim heed the  
call, of the killer  
in us all.
