KINGS

Â© Electric Babylon Music Author: M.M.

I purpose to make a toast to the world, on this glorious  
occasion of

today, to whom else could I speak my peace, who else  
would listen to

what I say, I drink to your health and so mine, so glad  
you can just let

me be, don't have to fight for you to prove I care, this  
is what it means  
to be free.

My hope is with you your cause is for me, if we keep  
looking I'm sure  
we will see.

I fail to make any sense from this way, but I know we  
can work it out,  
you've got to have a little more faith in your place, my  
ego cant survive

on your doubt, only the desperate wonder where they  
stand, we stand

for one and one stands for all, I dance I dance I dance  
all alone, oh

divided we stand united we fall.

The king is for sale the kingdom is not, don't die for  
desire live for

what you have got.

Every man is king who rules his own mind, it's just a  
small shadow in a

great big light, but it's the greatest kingdom to  
behold, can be

conquered with persuasion but not with might, we're  
all worlds apart

and whisper close, so there aint no need to scream and  
shout, be you

be me be free thats all, just turn inside if your ever in  
doubt.

The king is for sale the kingdom is not, don't die for  
desire live for

what you have got.
