LIVE IT

Â© Electric Babylon Music Author: M.M.

As I look back IÂ'll admit I don't feel totally blameless,  
but one things  
for sure it was totally aimless, my intentions were never  
to hurt  
anyone, it's not the bullet that fires the gun, and I am  
tired of being  
the jerk and the asshole, any fool knows it takes two to  
tango, I take  
back everything I gave to these so called friends,  
because thats all IÂ'll  
ever get from them.  
And IÂ'll just live it, I cant spell it, I don't mean it, I just  
feel it, (can you?  
).

I really wonder what you have to take comfort in,  
because your all just  
sinners unworthy of sin, and I know your tiny minds  
think well hey  
what about you, first off why does it matter so much  
what I do, but  
here's the why and the what I did was pure, you see I  
was sick for true  
love and I found the cure, it took me years to make the  
cut because I  
really did care, don't tell me I was wrong anymore  
don't f\*\*\*ing dare.  
And IÂ'll just live it, I don't believe it, I cant fake it, I  
just feel it.  
Yes it bugged me hurt me tore me ten ways, but now  
IÂ'm looking  
forward to bigger and better days, I guess because the  
pen is mightier  
than the sword, I was tired of talking it was about time I  
roared, I wish  
no one no ill but I really cant wish you well, except for  
the girl I  
promised forever and failed, I know my rights and my  
feelings can and  
have been used against me, but in the end we're all  
nothing more

nothing less than free.

So Iâ€™ll just live it, I wont kill it, I cant write it, Iâ€™ll just  
live it, and let the

days river run, and this day is done.
