LUSCIOUS VAMPIRES

Luscious vampires with video teeth want me to smell
their art, want me
to fall at there feet and pledge eternal now, want me to
write and then
act my part, want me to ride to Hollywood on there
sacred cow, and I
suffer to confess that I cant resist, IÂ'll expose the vein;
circuit for the
electric wine, IÂ'll take the kiss from lips shaped like a
fist, IÂ'll take your
desperation and let you make it mine.
She had hair like a question mark eyes like a quotation,
and I wanted
her so bad I memorized her lines, but I was just a can
of pepper spray in
the purse of sensation, I used to read her lips now I
paint her signs,
hideous test tube baby personality, IÂ'm trying to
figure out how to
match the color of my lust to her pride, but she crashes
every time I hit
the F 1 key, the truth is just a map that can lead you
back to where she
lied.
ThereÂ's some kind of switch in her she calls love, but
it ainÂ't the kind
that rhymes with above, the machine of her broadcasts
the flesh of
heavenÂ's whore, she pretends sold out just to keep
you wanting more,
she can make your hunger more appetizing than your
meal, sheÂ'll make
you believe that only the things youÂ've forgotten are
real, and you may
think you can get away with a look but donÂ't touch, but
thatÂ's just the
perfect limp to fit her crutch.
