MEAN MUCH

Â© Electric Babylon Music Author: M.M.

MEAN MUCH

God and meaning and the consummation, the math of  
ages just an  
allegation, memory the tool of compensation, for the  
soul of the mind  
and it's education.  
Nervous neurons and their navigation, need clock time  
heart pumped  
lubrication, cant depend on bone marrow calibration, to  
read this  
thought summed calculation.  
Fallout apple tree radiation, Tech toy tool puppet  
innovation, blonde  
bombed with a penchant for procreation, breeding  
impotent dead with  
this masturbation.  
Trash heap tape loop of information, a per diem real  
life simulation,  
the ego's ante for validation, the fan of a fanatic  
philosophic  
fabrication.  
A ten cent million dollar exploitation, a blueprint  
centerfold  
amputation, networked net worth of false front  
corporation, an iconic  
post ironic incarnation.  
The minds eye stained glass fragmentation, way in  
way out traffic  
escalation, day in day out dreamers dissipation, work  
place soul  
matter deformation.  
Blank sex love locked levitation, erotic in inertia killed  
gravitation, the  
window of a world first born fascination, alter of ruins  
in the free heat  
condensation.  
Morbid motion in a big bang transformation, mortal  
meaning of a god  
rhymed revelation, beauty of a darkness taught

manifestation, ending  
in real world realization.
