MEANING BY NUMBERS (PAINT BY CHOAS)

Â© Electric Babylon Music Author: M.M.

I was laughing just to keep from crying, I was living just
to keep from

dying, people break and they limp sick broken, lovers
dance the truth

unspoken, time moved on and I stood still, I knew there
was a

mountain just over that hill, the past is dreaming the
future is asleep,

IÂ'm the bloodshot eyes on the face of the deep,
Meaning by numbers paint by chaos, donÂ't let faith
destroy your

doubt, the world is wicked and fortuneÂ's blade,
donÂ't fall in if you ever
want out.

Looking into eyes of glass and soul of stone, always
reaching out to

find you always so alone, piece by piece it falls
together as you fall

apart, suddenly your face to face with the end and you
donÂ't know

where to start, you try to pull the earth over your head
till you can't see

the sky, seems your whole life is spent just learning
how to die, love is

burning bridges and meaning donÂ't mean much,
youÂ've got to really

feel feel feel to really know how to touch.

Meaning by numbers paint by chaos, donÂ't let faith
destroy your

doubt, the world is wicked and fortuneÂ's blade,
donÂ't fall in if you ever

want out.

Separate me from the infinite scheme, I am my own
dream, roll the

planet let the raven loose, I can transpose his scream,
storm the living

dead go blind, I can seize my mind, if life shall not look
where it lives,

sand bone is what it will find, spin my head into
heavenÂ's view, and IÂ'll

flavor what is true, and I'll celebrate beauty's
unbridled touch, that
turns me into you, I know that chaos is my paint, and
color is my saint,
and I'll bury my soul in a rusty can, far from the
midnight's feint.
Meaning by numbers paint by chaos, don't let faith
destroy your
doubt, the world is wicked and fortune's blade,
don't fall in if you ever
want out.
