NOW I KNOW

Â© Electric Babylon Music Author: M.M.

I was busy trying to break the code of the silence, my
peaceful mind

had no eye for subtle violence, somewhere between
innocence and

ignorance I walked across the minefield, I live by
fortune so you see

my fate was sealed.

Now I know what it's like to feel desperate, and not to
want to turn the

other cheek, now I know what it's like to really take a
fall, and I know

what it's like to be strong and feel so weak.

If this is a blessing in disguise it sure is a good
disguise, but I still

know where the truth is even chin deep in these lies,
but right now I

don't feel like David I feel like Goliath, I feel full of
hate and rage and I

can't deny it.

Now I know what it's like to feel like a loser, and I
know what it's like

just to want to cry, now I know what it's like not to rise
above self pity,

and I know what it's like to feel all this without
understanding why.

It seems so trivial like a pebble held up to the sun, what
felt light on

the scales of justice to me feels like a ton, I'm
ashamed that it got to

me but I've got enough pride to admit that it did, but
honor is just a

snack to some f*** like you whose soul is up for bid.

Now I know what it feels like to lust for revenge, and I
know what it

feels like to poke my scar until it's sore, now I know
what it feels like

to try and learn from an accident, and I know what it
feels like to pick

myself up off the floor.
