OUTRAGEOUS FORTUNE

Â© Electric Babylon Music Author: M.M.

To drown in this sea of trouble, to lose your harvest to
the wind, to out

live the master of fate, to be a rock covered in winter
snow, to be the

man that sells time to the clockmaker, forever
gathering time for your

enemy, to let fall the leaves of October, to bury the
dead in the living
earth.

Â“To suffer the slings and arrows of outrageous
fortuneÂ”.

To bang the drum for the ones who dance, to sleep
alone without your

dreams, to be trapped like a bird in only sky, to be a
star that cant be

seen by the naked eye, to be guilty of the future and
innocent of the past,

to have a soul that drains the blood from your heart, to
make it thru the

rain and be denied the rainbow, to be a beggar living in
utopia.

Â“To suffer the slings and arrows of outrageous
fortuneÂ”.

To steal from the rich and get robbed by the poor, to be
the lover of the

celebrated darkness, to be like Christ wondering on the
cross, to be lost

in your own hiding place, to be able to feel but not
allowed to touch, to be

a king who is ruled by a heartless queen, to never ever
ever wake to a

dream, to be sent by the river to a dumb and blind
ocean.

Â“To suffer the slings and arrows of outrageous
fortuneÂ”.
