PERSONAL POLITICS

Â© Electric Babylon Music Author: M.M.

I was hanging in the balance, I was balking in the  
breach, my troubled  
mind seemed all to near, and the world was out of  
reach, I was  
trembling  
in the cold wind, in turmoil and despair, I was dying by  
the wayside,  
and  
the world didn't seem to care.  
I am the reason that there's a world at all, and if I lose  
my grip the  
world  
will surely fall.  
You are your own mystery, you may never ever get  
caught, just  
because  
your not to blame, don't mean it's not your fault, you  
don't seem to  
heed  
the warning, but your sure you know what's right, but  
do you ever  
  
wonder, if you really see the light.  
You are the reason that there's a world at all, and if  
you lose your grip  
the  
world will surely fall.  
It's time we know the river's depth, it's time for you  
and me, it's time  
that  
freedom really meant, really meant being free.  
We are where you and I meet, we are what must be  
done, we are where  
the cries of the many, become the voice of the one, we  
must come to  
the  
rescue, of a world that's divided and torn, but first I  
must know, this is  
why I was born.

We are the reason that there's a world at all, and if we  
lose our grip I  
will  
surely fall.
