RAGING RIVER

Â© Electric Babylon Music Author: M.M.

The flowing water the wild days, the future of motion
where memory

plays, the killing the dying the born again blues, the
contact where bone

and blind talk fuse, I am the ghost of the haunting
chord, I am the true

end god farm lord, river pushed blood in the artery,
healing wound

oozing cement poetry.

Raging river.

Fixed life wavelength paradise pulse, man in armor for
a women's waltz,

gun shits bullets at a target trap, the holes in his sky
bleed on the map,

anger behind the wheel drunk on pride and joy, tears
left on the floor a

day old toy, breath in sound exhale words, test with
science the religion

of birds.

Raging river.

Metamorphic design dark bottom feeder, impotent
painter blank canvas

dealer, careful drowning in the casual flood, heartbeat
dam holds water

from blood, all is loaded with heaven scent, but
fortunes sleep in money

spent, medicine of days disease of nights, for star
drenched seas the river

fight.

Raging river.
