### RIVERS RUN

Running wildly toward the ocean, my logic drowned in  
emotion, no  
mermaids for to find, to help dry out my mind, I feel  
like a saviour  
without a cross to bare, so careless but I cant help but  
care, as this  
current runs it's course, I feel like an impotent force,  
there's a savage  
wind howling in my soul, there's a flood building in  
my heart I'm bound  
to lose control.  
Life sometimes I hate you sometimes I love you,  
sometimes I don't know  
what to think of you, I may be the great unknown , I may  
be the chosen  
one, we'll know which man is king, at the throne of  
rivers run.  
Spinning madly toward the sea, trying hard to find the  
sailor in me, like  
the newly born I have no past, into the fishnet of desire  
my life was cast, I  
was wounded by a remedy cured by a disease, her  
beauty brought me to  
my knees, I'm the saint of the unforgiven, we call this  
life but you  
couldn't call it living, beauty has touched the earth to  
damn the beautiful,  
desire is a placebo to charge the dutiful.  
Life sometimes I hate you sometimes I love you,  
sometimes I don't know  
what to think of you, I may be the great unknown , I may  
be the chosen  
one, we'll know which man is king, at the throne of  
rivers run.  
Aching always for the sky, everybody wants to go to  
heaven but nobody  
wants to die, I turn in wonder I stare in awe, seen or not  
seen I cant  
believe what I saw, I need a love that will bend to my  
will, I need to touch

her flesh in hope to feel, my destiny in a cold wind  
blows, everybody  
guesses what nobody knows, strangely groping thru  
life's desperate  
interlude, life just goes on living in its indifferent  
mood.  
Life sometimes I hate you sometimes I love you,  
sometimes I don't know  
what to think of you, I may be the great unknown , I may  
be the chosen  
one, we'll know which man is king, at the throne of  
rivers run.
