SATORI OR DESTRUCTION

Â© Electric Babylon Music Author: M.M.

IÂ'm still running though I know, I aint got no place to go, IÂ'm still

dreaming though I see, How real this reality, but still the truth is

flirting with illusion, and I just bought a drink for confusion, if you stay

IÂ'm gonna have to leave, just say you know and then IÂ'll believe.

Oh the dawn better come soon, I fear I wont live thru the night, IÂ'm so

tired of howling at the moon, but itÂ's my only guiding light, thereÂ's an

angel in my heart, thereÂ's a demon in my head, a sense of direction is

a priceless art, but I run around in circles instead.

Time is running out, thereÂ's plenty more room for doubt, a desperate

man can die, in the wink of a tear stained eye, I reach out and yet hide

within, I live on what might have been, I have lived forever in a day, I

feel like IÂ'm fading away.

Oh the dawn better come soon, I fear I wont live thru the night, IÂ'm so

tired of howling at the moon, but itÂ's my only guiding light, thereÂ's an

angel in my heart, thereÂ's a demon in my head, a sense of direction is

a priceless art, but I run around in circles instead.

IÂ've never been the kind of man, to play catch as catch can, I wanna

feel the love I see, I wanna be what IÂ'm supposed to be, I know but I

donÂ't know, IÂ've got to go but I cant go, a desperate man can die,

without even knowing why.

Oh the dawn better come soon, I fear I wont live thru the night, IÂ'm so

tired of howling at the moon, but itÂ's my only guiding light, thereÂ's an

angel in my heart, there's a demon in my head, a
sense of direction is
a priceless art, but I run around in circles instead.
