SHEÂ'S SO SUBTLE

Â© Electric Babylon Music Author: M.M.

Like the moon moves the tide, she moves the thought
of her thru your
mind, in the place where the forgotten go, she donÂ't
know what youÂ've
lost but she knows what your trying to find.
Its like nothing trying to hide behind a ghost, like a ship
at sea listens
to the foghorn on a foggy coast, but it will knock you
down like a cool
night staring into space, yeah sheÂ's so subtle until
she slaps you in the
face.
Like her calm eyes gaze out across a bleak horizon,
like her fingers
move down the seam of my heart, sometimes I can
barely feel her
touch, and sometimes it feels like sheÂ's gonna tear
me apart.
Its like nothing trying to hide behind a ghost, like a ship
at sea listens
to the foghorn on a foggy coast, its like bending down
to take a kiss
and instead gotten a shot of mace, yeah sheÂ's so
subtle until she slaps
me in the face.
In the place where the unknown stays in hiding, well
she donÂ't know
what youÂ've lost but she knows what your trying to
find, sometimes
you feel the silence and sometimes its just ordinary
life, sometimes
she just likes to remind you the only difference
between the two is your
frame of mind.
Its like nothing trying to hide behind a ghost, like a ship
at sea listens
to the foghorn on a foggy coast, so you better watch it
sheÂ'll trip you
up if you cant keep the pace, yeah sheÂ's so subtle
until she slaps you

in the face.
