SLEEP WALKING

Â© Electric Babylon Music Author: M.M.

Hey mama hey mama can I have this thing, Mickey put  
that back boy IÂ'm

gonna slap your ass, hey mama hey mama can I have  
one of those, boy get

over here youÂ've got to try on these clothes.

Mama I really wanted that electric guitar, son that  
wasn't a real guitar it

was just a toy, but ma I want to learn how to be a star,  
sometimes I don't

know what IÂ'm gonna do with you boy.

Hey mama can we stop at Kmart and buy me a record,  
ok honey but we

can only get one, hey mama I can't decide; can I get  
both, I said just one;

don't argue are you won't get any. Ok IÂ'll get this  
one; ma have you heard

this on the radio, IÂ'm not sure; tell me how does it go,  
it goes hey mama

can I have this thing, yeah that sounds familiar; my  
little angel you sure

can sing.

Honey it's time for you to go to bed, if you can get  
that silly little song

out of your head, mama I wish I could get that other  
record too, honey IÂ'll

get it for you next week if you do good in school, mama  
when I grow up

IÂ'm gonna buy me everything, baby IÂ'm sure you will;  
good night sweet

dreams.
