THANKFUL FOR THE BLUES

Â© Electric Babylon Music Author: M.M.

I cant help but be thankful even though IÂ’ve got the blues, I cant help but be thankful even though IÂ’ve got the blues, donÂ’t have a lot of money donÂ’t have a big fine house, but thereÂ’s always food on my table and IÂ’ve always got a decent pair of shoes.  
The worst thing in the world is greed, we overlook the basic need, thereÂ’s a hungry world to feed.  
My heart goes out to the people of this world who are in real pain, My heart goes out to the people of this world who are in real pain, me IÂ’ve got it pretty good I wish I could do something to help, but I/m just like the weatherman even he cant stop the rain.  
The best thing in the world is compassion, while we chase the latest fashion, there are people living on a skeletons ration.  
I cant help but have the blues even though god is in my heart, I cant help but have the blues even though god is in my heart, IÂ’m talking about the spirit that binds us all together, and if we want to change the world god is the best place to start.  
The only thing in the world is god, even in the land of nod, be thankful for what youÂ’ve got.
