THAT JOYOUS SPIRIT

Â© Electric Babylon Music Author: M.M.

I know I can make it when I hear that sound, when it's  
late at night and

nobody is around, come calling me like a voice on  
high, I feel like starlight  
in the nighttime sky.

Make me want to sing make me want to dance, show  
me the night of  
wonder the night of romance.

That joyous spirit really lifts my soul, makes me feel  
like I'm gonna lose  
control, I'm a lover of the nameless liberty and life, oh  
sweet mistress will  
you be my wife.

Come to me, walk with me, love with me, be with me,  
talk with me, pray  
with me, lay with me, stay with me.

I'm glad you found your way into my mind tonight, I  
saw you playing  
wildly in the magic twilight, I wondered about the river  
that we share, I

felt your gentle silence when your silence I could not  
bear, your beauty

knows no boundary touch the hanging sky, if your  
pleased well let me

shout it if your pleased well so am I, move me with your  
motion let me

play your song, love me when I'm right help me when  
I'm wrong.

Make me want to sing make me want to dance, show  
me the night of  
wonder the night of romance.
