THE GHOST OF MACBETH

Â© Electric Babylon Music Author: M.M.

I want to hide but the world wont leave me alone, I feel
like a king with no
claim to the throne, it's just another fine mess but i'll
make it thru, till the
next fine mess to start a new.
I saw the ghost of Macbeth in my den, he said salvation
aint so sweet as
sin, you gotta have a good system to beat the system,
you better expect
to lose a lot if you ever expect to win.
It's a funny thing but it makes me so damn sad, but
even the ripest fruit
in a few days goes bad, sometimes I think i'd like to
catch the next train
out of here, maybe at the end of the line my reasons
would be clear.
I saw the ghost of Macbeth in my den, he said salvation
aint so sweet as
sin, you gotta have a good system to beat the system,
you better expect
to lose a lot if you ever expect to win.
But it's true I thrive on this suffering so sweet, you
know there's no way a
losing hand can ever be beat, I hate the morning that
interrupts my night,
I count on the darkness to show me the light.
I saw the ghost of Macbeth in my head, he said if your
weary my child go
to bed, you must sleep if you ever hope to have a real
dream, and the
dying are better off dead.
