### THE LONG ROAD

Â© Electric Babylon Music Author: M.M.

Seems like the closer I get, the further there is to go,  
seems like the more

I learn, the more there is to know, no matter which way  
you turn, seems

like your going in the same direction, no matter how  
many times you

check the mirror, you see the same old reflection.

And I guess it's just a matter of time before I get to  
where I'm going, but

it's sure a long road there and my weariness is  
showing, and all my faith

is in this road I travel on, to live the peasants life and  
sing the poets

song.

This melancholy feeling, that has drenched me to the  
core, never wants

for nothing, but always ask for more, and never did the  
sunset ever look

so nice, as when all the dues were counted, and I  
realized I paid them

twice.

And I guess it's just a matter of time before I get to  
where I'm going, but

it's sure a long road there and my weariness is  
showing, and all my faith

is in this road I travel on, to live the peasants life and  
sing the poets

song.

And on this road of sorrow, there is really nobody to  
blame, were all just

victims of our virtue, or victims of our shame, there  
ain't no way to turn

back, but we always try, we don't expect no answers,  
but were always

asking why, and sometimes it seems like were  
traveling, down the wrong

road, but it's not the wrong road, it's just the long  
road.
