THE MURDER OF CHICO MENDES

Chico Mendes was a rubber tapper a simple man who  
lived a simple life,  
content under the tarp of his beautiful rainforest with  
his children and  
his wife, as the forest fell at a staggering rate under a  
chainsaw oiled  
with greed, he bravely stepped up with the few others  
who dared to  
help this fellow creature in need.  
He never backed down even after he received  
anauncio, heÂ'd say  
something like if you have to die for what you believe in  
you should be  
proud to go, so he worked hard to bring the worlds  
attention to this  
catastrophe, until the dogs finally cut him down like  
another rainforest  
tree.  
The murder of Chico Mendes seems so typical of this  
world, people will  
kill cheat and swindle anywhere the green flag of  
money is unfurled,  
now hundreds have died in this particular war of  
dollars and sense, but  
IÂ'm so afraid that Chico and all the others died at  
there own expense.
