THE WHY AND THE WOE

It takes half my soul just to get out of bed, I feel like the
body of the
ghost in my head, I just can't make sense of this day
after day, I
followed the leader when he lost his way.
Well I try and I try and I try and I try, I cry and I cry and I
cry, my life
has gone by, I don't even know why, woe is me.
It takes my best aim just to fake this shot, I can only
find answers to
what this is not, the girl of my dreams she won't let
me sleep, I'm just
sowing a seed that I'll never reap.
Well I try and I try and I try and I try, I cry and I cry and I
cry, my life
has gone by, I don't even know why, woe is me.
The life of a man is just pain and toil, you try to grow
food from this
weary soil, from the moment we see we realize we are
blind, the things
that we seek are the things we can't find.
Well I try and I try and I try and I try, I cry and I cry and I
cry, my life
has gone by, I don't even know why, woe is me.
