THERE IS ALWAYS A BEGINNING

Â© Electric Babylon Music Author: M.M.

There is always a beginning, destiny's shadow
washes out the origins
host, history's mileage makes a mockery of
beauty's guess, every world
falls asleep to dream up a moon, and for every sigh
she implies the
religion of sex, a calculated tease and a answer that
ends in a question
mark, there is always a beginning, unjudged waiting
and impotent.
There is always a beginning, and theory of her
configuration draws blood,
the semen of science floods her vacancy's drive, the
tattoo of an empire
the strumpet of a shadow, this mystery conceived in
the bowels of her
temple, inflamed by some god who claims and cries
never, there is always
a beginning, dressed in a map or mapped in the nude.
