It seemed like the easiest way out but it was the  
quickest way in, this  
game just kind of started it didn't ever really begin, I  
was a fool for my  
master now I'm a slave for a fool, I think I've learned  
my lesson that only  
servants practice the golden rule.  
What good is what you want if you lose what you need,  
sometimes charity  
is just another form of greed.  
An answer can't be given for a question that asks why,  
the only real truth  
in a man's life is that a man lives and then he dies,  
damn the forgiven their  
just the guilty ion ice a man that can't face his mistake,  
it's a line that's easy  
to fall for because the real don't look as real as the  
fake.  
What good is what you want if you lose what you need,  
sometimes charity  
is just another form of greed.  
Here we go again what will it be this time.  
I have prepared an ode for those who make the same  
mistake twice, it's  
guaranteed to lift your spirits but it won't help lower the  
price, the wisest  
man in the world may be a fool in the eyes of God, and  
Romeo is still  
dead in his lover's tomb and Cain is still plowing fields  
in the land of Nod.  
What good is what you want if you lose what you need,  
sometimes charity  
is just another form of greed.
