TRUE LIGHT

Â© Electric Babylon Music Author: M.M.

I been treading this path my feet are tired, sometimes
low and

uninspired, this wind blows cold and just gets colder, I
hope IÂ'm wiser I
know IÂ'm older.

But IÂ'm gotten closer, closer to the light, and I know
itÂ's right, yes I do,
and I know itÂ's true.

I walk the night across the moon, midnightÂ's trouble
will be over soon,
the light is rising in the east, soon the morning will be
released.

And IÂ'm gotten closer, closer to the light, and I know
itÂ's right, yes I do,
and I know itÂ's true.

My feet will get me there in time, and if they donÂ't I
donÂ't mind, just
moving closer thatÂ's enough for me, just becoming
what IÂ'm meant to be.

And gotten closer, closer to the light, and I know itÂ's
right, yes I do, and I
know itÂ's true.
