UNKNOWN SOLDIER

Unknown soldier buried in the bush, unknown soldier
it's not just news
to you, he has stared into the blank eyes of hate, we
cannot know his
forsaken soul.
Unknown soldier sleeping with your pain, unknown
soldier your children
never born, deathbed marriage bullet breeds with
bone, a victims
prelude and a heroes epitaph.
Unknown soldier your name is all we have, unknown
soldier a rifle for
your grail, did you suffer the doubt that riddles war,
did you wonder if
right was your might.
Unknown soldier murdered or killed, unknown soldier
cold to the price,
what were your dreamings your dateless worlds,
politics of blood have
drained your heart.
Unknown soldier rest with your reason, unknown
soldier die not in vain,
and if it turns out you did indeed, we'll not stain your
memory with this
god damned shame.
