VOODOO

Â© Electric Babylon Music Author: M.M.

It's something that you just can't know, it's
somewhere that you never
go, it's something in the things you do, don't know
whose fooling who.

Voodoo.

It's something in the way she walks, the things she
says when she talks,
there's a path but you don't know where, there's a
way but you don't
care.

Voodoo.

Sometimes get to feeling so strange, like your head
has been rearranged,
and nothing seems to rhyme, and you feel like your
wasting your time.

Voodoo.

It's in the night time under the moon, but it always
ends to soon, and
there aint no other way to feel, there aint no way to
know it's real.

Voodoo.

It's something that you just can't know, it's
somewhere that you never
go, it's something in the things you do, don't know
whose fooling who.

Voodoo.
