WHEN THE FLAME BURNS VIOLET

Â© Electric Babylon Music Author: M.M.

When the flame burns violet, come to me woman in a
rainstorm of
passion, When the flame burns violet, I will know your
flesh and drink hot
kisses.

Let me see your soul shining on your face, show me
once again lover how
the art creates the artist, you call that something in me
that transcends
reason and begs for rhyme, and just like poetry you
mean to much to have
a definition.

When the flame burns violet, I will show you the beast
in me that howls at
the moon in you, When the flame burns violet, reality
will suffer self
doubt and flesh will be our fantasy.

As if in Eden with my first glimpse of Eve I am my
erection, and we will
burn and boil like hell to bury our souls in heaven, love
is the alphabet of
language even the brute tongue of lust, and so lover I
will make you feel
the woman in your being and you will suffer the man in
mine.

When the flame burns violet, the world will silence into
a rapture of grace
and motion, When the flame burns violet, we will rave
the soul and
thunder the universe.
