Verse

My whole life i was labeled as a nuisance
I was the nerd at the table with the cool kids
and i was ruthless, but the truth is
Talkin is cheap so you can keep your 2 cents
Cause all i need is a dream and a dollar
Aint worried bout yesterday im tryna see tomorrow
And nothing else matters when you've spotted your goals
Im all alone cause I know you cant rot when your cold
SOOO hopefully i can (right/write) your wrong
They see scars and they ask me why i fight so long
ITS ALL GOOD, as long as when they lights go off
Im still here to excel like microsoft
And they told me get respect but nobody ever showed me how
And right now a yellow light couldnt slow me down
I rhyme LIFE yall rhyme for fun
Ill stay (DEF) cause everone alive is dumb

HOOK

Its all good.
I aint playing but i wish yall would.
All im saying is.
I am retro, yall aint ghetto.

Verse

My competiton always loves to harass me
They'r like teachers they will never pass me
Its all work man i thrive for some party time
Im so high you look at me and get stary eyed
they main slice what im saying is nice
Youll be paying the price if you wnat me saying it twice
My name buzz now the bees try to hunny coat
I like girls but id rather have some money tho
And if she diggin me i guess i cant tell her

Got people on my tip like NELSON MANDELLA
And yall cant fool me YO, the flow is coolio
And all my rhymes universal like studio's
I aint jones'n im roy in his prime
i got hands to beat a royal flush or 4 of a kind
So dont bluff or im callin it quick
and imma rhyme round cats till they callin it quits.

HOOK REPEAT

Its all good.

I aint playing but i wish yall would.

All im saying is.

I am retro, yall aint ghetto.
