Marty Verse1

This is what i do man, this is how im living  
You dont gotta like me and you dont gotta listen  
I am with your girl friend we is on a mission  
Shorty need a tour guide cause she always trippin  
So you never know what the man might do  
But if you got a wish i can grant it like hugh  
My heads in the clouds so my tans light blue  
My patients wearing thin you can stare right through  
The best kept secret, but someone gotta tell her  
She only talk cheese, i speak motzarella  
My hearts ice cold, she's too hot to tell her  
HOT chicks get a beat, duffs get an acapella  
So you aint gettin nada, your friends gettin prada  
Slow spitter flow and its hotter then nevada  
Props when im spittin yeah i will get alotta  
Cause on the mic i be goin 'inn' like ramada

Hook:

Marty Verse2

Im back up on my grind, i just left harlem  
I been around the world, i never had a problem

Catch me with a backpack tryna get some dollars  
Im all about my salad, my greens, my olives  
Women are a problem, loving aint for me  
Stop killin off my buzz leave the hunny for the bees  
Now i got em tongue tied, baby i am dumb fly  
Marty Keep the girls hands 'rasin' like 'sun dried'  
If you dont feel me then you aint listening  
Cause when i throw bait, lines hook em like a fisherman  
Got a water flow, sit spitten at your christening  
I am not the one you wanna cross, no switzerland  
Baby im the truth like pierce, no re sign  
Everytime i spit i make em flip, no b side  
Plus i got more damn hunny then a bee hive  
You touch my radio then you gone catch a peace sign
