Well she was just 17  
You know what I mean  
And the way she looked  
was way beyond compare  
So how could I dance with another  
And I saw her standin' there  
Well she looked at me... and I, I could see  
That before too long I'd fall in love with her.  
She wouldn't dance with another  
I'd I saw her standin' there.  
Well, my heart went boom,  
When I crossed that room,  
And I held her hand in mine  
Whoah, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
Now I'll never dance with another  
Since I saw her standing there
