im broken hearted
broken hearted for you
so dont get me started on repairs
i know what youre gonna do
youll break it again
i know i cant win
youll just break my heart again

you chose the words you knew would make me cry
youve probobly done it to a hundred guys
im not cryin i got something in my eyes
you said you never really felt a thing
you said you didnt like the way i sing
im not crying but my eyes they really sting

im brokenhearted
brokenhearted for you
so dont get me started on repairs
i know what youre gonna do
youll break it again
i know i cant win
youll just break my heart again

you saw my face before you said goodbye
called me a loser hopin i would die
im not crying i got something in my eye
you said you never really felt a thing
you said you didnt like the way i sing
im not crying but my eyes they really sting

im brokenhearted
brokenhearted for you
so dont get me started on repairs
i know what youre gonna do
youll break it again
i know i cant win
youll just break my heart again

youll break it again i know i cant win
youll just break my heart again (im broken im broken
im broken)x's 3
youll just break my heart again (im broken hes broken

im broken)
youll just break my heart again
