Oh how I missed you,
Oh how I needed you today,
Oh how I missed you,
Oh how I needed you today,

'Cause life is like a waste of time,
When you're not by my side,
When you're not on this ride,

So pack your bags there's nothing to it,
Call in sick and stay,
With me everyday,
Call in sick and run away.

Have you been dreaming?
Have you been wondering the same?
Oh how I missed you,
Oh how I needed you today,
It's never felt more to see your face,
To wake up next to you,
Inside your warm embrace.

So pack your bags there's nothing to it,
Call in sick and stay,
With me everyday,
Call in sick and run away.

Call in sick and be,
On the run with me,
Call in sick and run away, away, with me.

I've spent and I'm tired of getting bent,
And I'm tired of always looking forward to a better day.

I've spent and I hate feeling so used
And I hate my attitude,
I've gone and lost and run away

(Call in sick and stay, With me
everyday, Call in sick and run away.)

So pack your bags there's nothing to it,

Call in sick and stay,
With me everyday,
Call in sick and run away.
Call in sick and be,
On the run with me,
Call in sick and run away, away, with me.
Runaway with me.
