"Dead End"

choose a direction which
way you gonna go? you
chose rejection because
you didn't know what he
can do for you what he
has done for me
the purpose we've been
waiting for the purpose
that we want to see why
won't you see the signs
there's a dead end

between the lines it
looks impressive now
just wait cause you will
see all those things let
you down including you
and me there's more
than meets the eye so
much more to know
learn to think more
clearly and i know that
you'll start to grow
