I still don't know what I want to do
I'd probably still ask you if I knew
What I'm doing now it seems to be okay
If it's your will, if it's your way, yeah

Don't want to have to deal with pointless bureaucracy
Making sure where something goes or making sure
that your agree
Well, I don't even know what my choices are
Should I fly a plane or should I drive a car, yeah?

Nothing's clear to me, my eyes won't do a thing for me
I'll just wait right here, until I am what I will be
Whatever it is I'm sure I'll know, when the time comes
he will show
Me what to do and me, where to go, where to go

I still don't know what I want to do
I'd probably still ask me if I knew, yeah
What I'm doing now it seems to be okay, yeah
If it's your will, if it's your way, if it's your way

All I've got is a skateboard
And a guitar
I go to a lot of punk shows
And I drive a car

Well, I don't like to work and I don't like to go to school
The teachers think that I'm a girl, the kids they think
that I'm uncool
I'm just not interested in much of anything
Wouldn't want to be a president, I don't want to be a
king

I just want to ride my skateboard, just want to play my
bass
Every now and then strum a chord, sometimes land
right on my face
Well, have you any ideas? I can't tell by a chart
Wanna do what he wants me to, I'm gonna do my part,
yeah do my part

I still don't know what I want to do
I'd probably still ask me if I knew, yeah
What I'm doing now it seems to be okay, yeah
If it's your will, if it's your way, if it's your way

All I've got is a skateboard
And a guitar
I go to a lot of punk shows
And I drive a car

I still don't know what I want to do
I'd probably still ask you if I knew
What I'm doing now, it seems to be okay
If it's your will, if it's your way, yeah
