I need the comfort,
That's in your arms,
Squeeze and hold me tight, and keep me warm
I need the passion,
That's in your heart,
Say you'll never leave and be apart

So don't walk away,
Don't turn your back,
If you leave today,
My whole world would turn black,
So don't walk away,
Don't change your mind,
It's time you took the chance,
And put your hand in mine,
So don't walk away

I need the glow of,
Your darling face
Accept this crown of love,
And live in grace
I need the colors,
Painted in your mind
Your beauty and your brilliance,
So hard to find

So don't walk away,

Don't turn your back,
If you leave today,
My whole world would turn black,
So don't walk away,
Don't change your mind,
It's time you took the chance,
And put your hand in mine,

You are my angel,
Please don't be afraid
You are my saving grace,
My hearts first aid
So don't walk away,
So don't walk away

So don't walk away,
Don't turn your back,
If you leave today,
My whole world would turn black,
Don't walk away,
Don't change your mind,
It's time you took the chance,
And put your hand in mine,
So don't walk away
Don't walk away
So don't walk away
