"Fist Vs Tact"

Visit "[Fist Vs Tact](#)" on MotoLyrics.com

I've dwelt long on the past
I just can't take it anymore
I struggle in vain at last
I've managed to board up the windows and lock the
door

Persist to resist, fight back, back
Not with a fist with tact, tact
Ideas in action with passion, passion
Passion, commitment and dedication

I've dwelt long on the past
I just can't take it anymore
I struggle in vain at last
I've managed to board up the windows and lock the
door

When all is said and done, our time is spent
We've had our fun
Have you taken the time to think about your life
And what it means to know eternity

Persist to resist, fight back, back
Not with a fist with tact, tact
Ideas in action with passion, passion
Passion, commitment and dedication
