Ooh baby, do you know what that's worth?  
Ooh, heaven is a place on earth

When the night falls down  
I wait for you and you come around  
And the world's alive  
With the sounds of kids on the street outside

When you walk into the room  
You pull me close and we start to move  
And we're spinning with the stars above and  
You lift me up in the world above

Ooh baby, do you know what that's worth?  
Ooh, heaven is a place on earth  
They say in heaven love comes first  
We'll make heaven a place on earth  
Ooh, heaven is a place on earth

When I feel alone  
I reach for you and you bring me home  
When I'm lost at sea  
I hear your voice and it carries me

In this world we're just beginning  
To understand the miracle of living  
Baby I was afraid before I'm not afraid anymore

Ooh baby, do you know what that's worth?  
Ooh, heaven is a place on earth  
They say in heaven love comes first  
We'll make heaven a place on earth  
Ooh, heaven is a place on earth

Ooh baby, do you know what that's worth?  
Ooh, heaven is a place on earth  
They say in heaven love comes first  
We'll make heaven a place on earth  
Ooh, heaven is a place on earth  
Ooh, heaven is a place on earth
