When I wake up, yeah you know I'm gonna be
I'm gonna be the man who wakes up next you
When I go out, yeah you know I'm gonna be
I'm gonna be the man who goes along with you

And if I get drunk, yeah you know I'm gonna be
I'm gonna be the man who gets drunk with to you
And if I haver, yeah you know I'm gonna be
I'm gonna be the man who's havering to you

I would walk 500 miles
And I would walk 500 more
To be the man who walked a thousand miles
To fall down at your door

When I'm working, yeah you know I'm gonna be
I'm gonna be the man who's working hard for you
And when the money comes in for the work I do
I'll pass almost every penny on to you

And when I come home, yeah you know I'm gonna be
I'm gonna be the man who's coming home to you
And if I grow old, yeah you know I'm gonna be
I'm gonna be the man who's growing old with you

I would walk 500 miles
And I would walk 500 more
To be the man who walked a thousand miles
To fall down at your door

When I'm dreaming, yeah you know I'm gonna dream
I'm gonna dream about the times when I'm with you
And when I'm lonely, yeah you know I'm gonna be
I'm gonna be the man who's lonely without you
I'm gonna be the man who's coming home to you

I would walk 500 miles
And I would walk 500 more
To be the man who walked a thousand miles
To fall down at your door

Mommy's alright, daddy's alright
They just seem a little weird
Surrender, surrender but don't give yourself away

Mommy's alright, daddy's alright
They just seem a little weird
Surrender, surrender but don't give yourself away
Away, away, away

I would walk 500 miles
And I would walk 500 more
To be the man who walked a thousand miles
To fall down at your door
