What's going on tonight?
Is everything alright?
I hope that nothing's wrong.
I haven't seen you in so long.

I'm away you're here to stay and I'm away and you're
ok
You're here to stay and I'm away you're here to stay
and I'm ok

What exactly do you do when I'm not with you?
What exactly do you say all the time that I'm away?

I'm away you're here to stay and I'm away and you're
ok
You're here to stay and I'm away you're here to stay
and I'm ok

I'm away you're here to stay and I'm away and you're
ok
You're here to stay and I'm away you're here to stay
and I'm ok

You tell me nothing's wrong
Seems like I've been gone oh so long
Nothing seems to have changed
Yet the familiar things seem all so strange

I'm away you're here to stay and I'm away and you're
ok
You're here to stay and I'm away you're here to stay
and I'm ok

I'm away you're here to stay and I'm away and you're
ok
You're here to stay and I'm away you're here to stay
and I'm ok

I'm away you're here to stay and I'm away and you're
ok
You're here to stay and I'm away you're here to stay

and I'm ok

(Fading) I'm away you're here to stay and I'm away and
you're ok

You're here to stay and I'm away you're here to stay
and I'm ok
